

# Toilet Cleaner

The first highly viscous powder-to-gel formula for unbeatable cleaning performance.

## Why businesses choose the Thrive Toilet Cleaner

**Effective daily cleaner**  
Thick gel clings to surfaces, requiring less scrubbing.

**Powerful Descaler**  
Cuts through limescale and stubborn stains.

**Probiotic technology**  
Continues cleaning long after application.

## Sustainable by design

- ✓ Concentrated toilet cleaner in easy-tear, fully home compostable sachets within industrial compostable refill pouches
- ✓ 100% Post-Consumer Recycled rHDPE and reusable bottle
- ✓ 100% biodegradable, non-toxic formula
- ✓ Saves thousands of litres water each year by eliminating the need to ship ready-to-use cleaners

## Cost & storage advantages

1 Pouch

=

10L of toilet cleaning solution

- ✓ Costs as little as **20p per clean**
- ✓ Huge space savings, 1 pouch makes 10L of thick liquid toilet cleaner
- ✓ Lightweight compact product enables savings on transport & a reduced carbon footprint
- ✓ Reduced storage requirements improves stock management

## Ideal for:
