URIZAP

A revolutionary solution that resolves and prevents urinal odours and blockages

What makes it different?

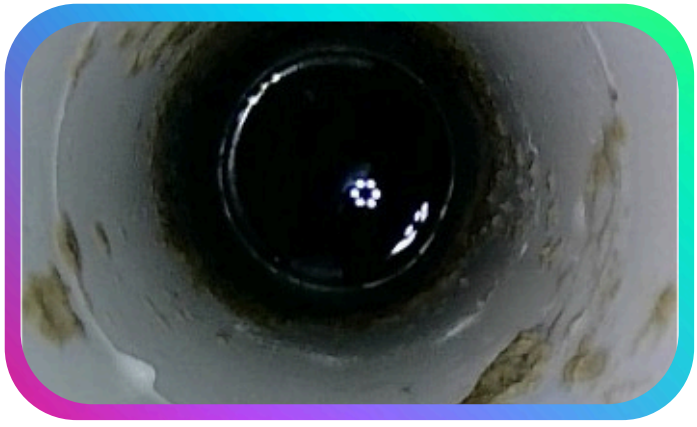
Unlike traditional cleaners, URIZAP's patented formula tackles the root cause of urinal odours and blockages, not just the symptoms. This revolutionary solution prevents build-up, enhances washroom hygiene, and reduces flush frequency — cutting maintenance costs and water usage for a more sustainable, hassle-free solution.

Benefits

- ☑ Eliminates odours
- ☑ Removes and prevents blockages
- ☑ Non-corrosive
- ☑ Reduce maintenance costs
- ☑ Reduce harsh chemicals
- ☑ Reduce single-use plastic
- ☑ Unlock water & carbon savings

Before URIZAP

After 8 weeks of dosing with URIZAP

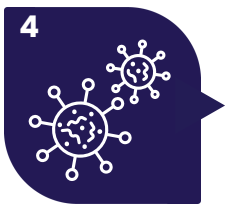


How do I use URIZAP?

Take a scoop of URIZAP

Pour it into the urinal

Followed by half a cup of water



Let the bacteria get to work!

To avoid killing the beneficial bacteria, only clean with eco-friendly products
